"A GOOD PLACE TO TRADE"

The high cost of living induces us to meet the issue fairly and squarely with a lower scale of prices on new furniture without however lowering our usual high standard of quality. Every piece comes from reputable makers who have co-operated with us along economic lines and our combined efforts have produced values that heretofore were thought impossible.

A few things worth knowing--This is not a new store just starting, we have been doing business right here in our own stove for more than twenty years.

We operate ten large hustling stores, buying and selling more house furnishings than any other store in New England. We deal direct with the factories, paying spot cash for our merchandise, there is just one small profit between you and the maker.

Sometimes you will want merchandise we sell, when that time comes remember our merchandise is good, our prices reasonable, our terms fair; A few things having a National reputation:

WE SELL

Glenwood Ranges, White Mountain Refrigerators,
Domestic Sewing Machines, Caloric Fireless
Cook Stoves, Hoosier Kitchen Cabinets,
Biglow Carpet Co's Rugs, etc,

Come and see us. The latch string is always out

DOES YOUR SIGN DO YOU CREDIT ?

It pays to have a sign at your place of business when people are looking for you—the bigger the better. It also pays to have a sign in the directory, where people are all the time looking for something in your lines. If you do not have it there, you are helping your competitors who do. Nothing in print indicates progressiveness so much as a strong representation in the city directory.

DISTRIBUTERS OF

Paints, Painters' Supplies, Roofing, Lubricating Oils, Chemicals, Etc.

"A PAINT FOR EVERY PURPOSE"

We have always believed that the best advertisement is a pleased customer. We probably do more of this kind of advertising than any paint store in this section. We realize that the great purchasing public likes to trade with absolutely reliable merchants. Since the founding of this business our one great aim has always been to give our customers full value for their money.

No difficulty will be experienced in securing what you desire at our store. We carry in stock at all times a varied and complete assortment of

PAINTS AND WOOD FINISHES

Special Lines

"BRIDGEPORT STANDARD" PAINT

Designed to secure for the paint user the highest results in painting. It spreads easily; covers well; holds its color, and above all it lasts.

"Bridgeport Standard" Paint is sold on its merits as a paint that is not only inexpensive at first cost, but economical in use because of its great spreading capacity and extreme durability. We unhesitatingly recommend it to property owners who realize the value and economy of using good paint. Forty-eight colors.

MELLEIN CALCIMINE

This is the day of Dainty Tints for Wall Decorations. With the use of Mellen Calcimine you can have your rooms finished in dainty and pleasing colors that will add greatly to the charm and beauty of your home. Walls finished with the soft Mellen tints make a perfect background for the furnishings, and lend a subtle grace and charm to each room.

CLEVELAND VARNISHES

Are made in many grades for many purposes. Better finishes than these, for their special uses, cannot be made. No greater mistake can be made than to expect one grade of varnish to meet all requirements. One Cleveland Finish is made for one purpose. Each one is good in every sense of the word, and its price is reasonable.

BREINIG'S STAIN AND WAX FINISH

These stains are used to produce the various shades of mission finishes now so popular. They are prepared from peculiar ingredients and each stain is designed to produce certain distinctive effects. They penetrate the wood deeply and do not raise the grain. Adapted to the use of wax, shellac or varnish as a finishing coat if desired. All the prevailing shades are here.

Color Cards and Samples Mailed on Request

Full Weight and Good Quality are matters of vital importance to the consumer of Paint and Varnish. By having both at the correct standard we have gained and continue to hold the patronage of a large and discriminating class of buyers. Remember, too, we are out of the high rent district and are not in the high price class. Ladies will find the Largest and Cleanest Paint Store in Western Massachusetts--a Particularly Attractive Store in which to trade.

IS THE CITY DIRECTORY

Because—It is Used the Most to Find Just Such Information You

Most Wish to Have the Public Know

First—What line of goods you handle. Second—Where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc., and some prefer one kind, some another. What better place to state your special brands than the CITY DIRECTORY?

"A PAINT FOR EVERY PURPOSE"

We have always believed that the best advertisement is a pleased customer. We realize that the great purchasing public likes to trade with absolutely reliable men. No difficulty will be experienced in securing what you desire at our full value for their money.

Probably do more of this kind of advertising than any paint store in this section. Since the founding of this business our one great aim has always been to give our customers

We carry in stock at all times a varied and complete assortment of

PAINTS AND WOOD FINISHES

Special Lines

"BRIDGEPORT STANDARD" PAINT

Designed to secure for the paint user the highest results in painting. It spreads easily, covers well, holds its color, and above all it lasts. "Bridgeport Standard" Paint is sold on its merits as a paint that is not only inexpensive at first cost, but economical in use because of its great spreading capacity and extreme durability. We unhesitatingly recommend it to property owners who realize the value and economy of using good paint. Forty-eight colors.

MELLEN CALCIMINE

This is the day of Dainty Tints for Wall Decorations. With the use of Mellen Calcimine you can have your rooms finished in dainty and pleasing colors that will greatly to the charm and beauty of your home. Walls finished with the soft Mellen tints make a perfect background for the furnishings, and lend a subtle grace and charm to each room.

CLEVELAND VARNISHES

Are made in many grades for many purposes. Better finishes than these, for their special uses, cannot be made. No greater mistake can be made than to expect one grade of varnish to meet all requirements. One Cleveland Finish is made for one purpose. Each one is good in every sense of the word, and its price is reasonable.

BREINIG'S STAIN AND WAX FINISH

These stains are used to produce the various shades of mission finishes now so popular. They are prepared from peculiar ingredients and each stain is designed to produce certain distinctive effects. They penetrate the wood deeply and do not raise the grain. Adapted to the use of wax, shellac or varnish as a finishing coat if desired. All the prevailing shades are here.

Color Cards and Sales Mailed on Request

Full Weight and Good Quality are matters of vital importance to the consumer of paint. They are of greater importance to us. By having both at the correct standard we have gained and continue to hold the patronage of a large and discriminating class of buyers. Remember, too, we are out of the high rent district and are not in the high price class. Ladies will find the Largest and Cleanest Paint Store in Western Massachusetts—a Particular Store in which to trade.
